2791 Eglinton Ave E, Toronto, ON M1J 2E1

## OBJECTIVE:

A creative and passionate front-end developer with 1+ years of experience in designing and implementing responsive and visually appealing web interfaces. Committed to creating user-friendly websites that deliver exceptional user experiences.

## SKILLS:

- Proficient in HTML, CSS, and JavaScript
- Adobe Creative Suite (Photoshop, Illustrator, InDesign, Fireworks)
- Excellent problem-solving and debugging skills
- Angular, HTML5, CSS/Bootstrap, JavaScript/Typescript, Reactive Programming, C#, SQL, PHP, JavaScript, jQuery, JSON, ASP.NET CORE, MVC, and Web API
- Strong communication and teamwork abilities

## WORK EXPERIENCE:

DP TECHNOLOGY CORP., CAMARILLO, CA
*Front End Developer, September 2021 – Present*

- Manage website projects from start to finish, making sure they work well on different web browsers and devices.
- Collaborate with programmers and clients to understand project goals and needs.
- Create and add unique designs to websites using WordPress, PHP-Fusion, and Concrete5.
- Teach clients how to update their websites.
- Add special effects like moving particles to website backgrounds.

VOKO COMMUNICATIONS, PLANO, TX
*Front End Developer, June 2018– December 2020*

- Built websites using PHP, JavaScript, and HTML.
- Improved how users interacted with websites by organizing content, making pages load faster, and adding graphics.
- Made websites work better and look great on all devices.
- Designed and managed websites for both companies and clients using WordPress and other tools.

## EDUCATION:

RIVER BROOK UNIVERSITY, CHICAGO, IL
*Bachelor of Science in Computer Science, May 2016*

- Honors: *cum laude* (GPA: 3.65/4.0)
